About product information

KairosFood NV always prepare the food information, such as ingredient lists, allergen information, etc. with the necessary due diligence on the basis of the information available to us. However, there is a possibility that the mentioned information has been changed by the producer or manufacturer, such as a change in recipe, ingredients, proportions, allergens, without informing us. Therefore, it is possible that the information is given incomplete, incorrect, or not up to date. We, therefore, refer to for correct information the article/product itself. This information is the only correct information. For unpackaged items/products, we point out the possibility that these products come into contact with substances containing allergens, merely by collecting, displaying or other actions that are still necessary for the sale of these products. We recommend that you wash these products before use.
